

FEATURES

- Mount to a standard octagon junction box or 4" recessed housing.
- Built-in on board driver with 90mA output and 120V AC input.
- 100%-10% dimming capability, this fixture is compatible with industry standard TRIAC/ELV dimmers.
- Durable airtight aluminum body with changeable magnetic trims.
- IC rated for direct contact with insulation.
- 2700K, 3000K, 3500K, 4000K and 5000K CCT selectable.

The Trio LED Downlight with built-in driver can easily convert a standard Octagon Box into a recessed downlight and have the capabilities to retrofit a traditional 4" downlight to a LED fixture. Three different colored faceplates are magnetic and can be changed easily.
